FUNCTIONAL FABRICS

FOR ACTIVE WEAR

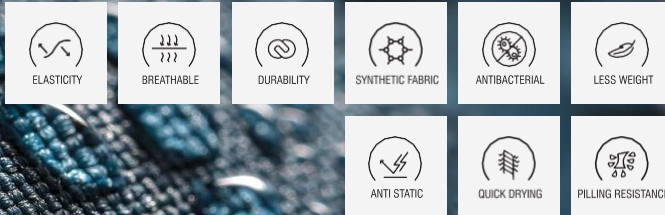

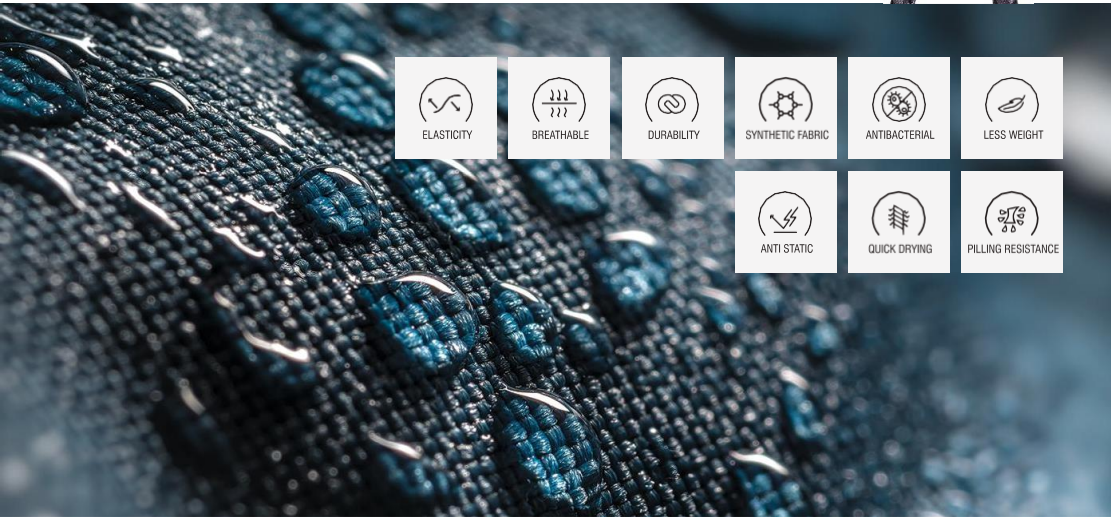

We produce high quality homewear, garment, casual wear, sportswear and functional fabrics with years of experience and our integrated structure.

We have an integrated structure with our yarn, dyehouse, knitting, garment and embroidery units established in Denizli / Turkey, the heart of textile. We continue our journey, which has been going strong since 1994, by adding functional sportswear fabrics in different and innovative styles. With our corporate vision, we are ready to prove our experience in textile and our success in this field as well.

THE BIGGEST JERSEYWEAR MANUFACTURER IN DENİZLİ / TURKEY

Our performance apparel fabrics are of the highest quality and state-of-the-art technology, providing the best performance for sports and activities! Due to its stretching factor, elastane fabric is preferred. Spandex fabrics add comfort to yoga pants, flexible and mobile activity clothes, home wear. From compression fabric to moisture-wicking fabric for comfortable activewear, we produce great products for yoga, swimwear, ballet, cheerleading, dance wear, gymnastics and more.

Based in Denizli, Turkey in 1994.

Manufactures jersey, single elastan and full elastan jersey, interlock, rib, pointelle, fleece etc.
